

replacement and tree rebates.

Take your yard from meh to YEAH! with rebates starting at \$3 per sq. ft. of removed grass and \$100 per tree planted*.

Create beautiful, sustainable, water-saving landscapes with the help of Metropolitan's Turf Replacement Program. The rebate **starts at \$3 per square foot** for residential and commercial customers who remove their grass and replace it with water-efficient California Friendly® and native plants. Plus, get an extra \$100 per tree added to your project for a maximum of five trees.

* Program funding is limited and available on a first-come-first-serve basis. Rebate amounts may vary by

Applications and rebate
program are managed by
SoCal Water\$mart.

SoCal Water\$mart
resources.

Your new sustainable landscape must include:

- Three California Friendly® plants per 100 square feet.
- A stormwater retention feature to help keep water in your yard when it rains. Rock gardens and rain barrels are some examples of sustainable elements you can incorporate.
- Permeable hardscapes that allow water to flow through the surface and slowly filter into the ground.
- A water-efficient irrigation system such as drip irrigation or overhead sprinklers featuring high-efficiency rotating sprinkler heads. Additional rebates are available for water-efficient irrigation systems. Visit [SoCal Water\\$mart](#) for available rebates.

Rebate Requirements Overview

Qualifying trees must meet the following requirements:

- Trees must be planted within the turf replacement project area.
- Trees must be a minimum size of 15 gallons when purchased and planted.

Get Inspired & Create a Plan

- SIGN UP FOR A FREE LANDSCAPE CLASS

Free virtual classes in landscape design and irrigation are offered to help you plant and maintain a beautiful water-efficient landscape.

[View classes >](#)

-
- ESTIMATE YOUR REBATE

■ YOU DON'T HAVE TO DO IT ALONE

A certified landscape professional can help design your project and maximize the efficiency of your irrigation system.

[Find a pro >](#)

■ MAKE YOUR LANDSCAPE DESIGN PLAN

Having a design plan will help you see what's possible. Try the Calscape garden planner, developed by our friends at the California Native Plant Society, to visualize your design.

▪ **DON'T TEAR OUT YOUR LAWN YET!**

Before you begin your project or remove any turf, you must apply for and receive a reservation for a rebate as part of the Turf Replacement Application. After the reservation is received and approved, you will have 180 days to complete the project.

▪ **SNAP PICTURES**

Take at least five color photos of the areas where you plan to remove turf. Read the Turf Replacement Program FAQ page for specific photo guidelines.

[Read the FAQs >](#)

▪ **GRAB YOUR WATER BILL**

Submit a photo or scanned copy of your recent water bill.

- **FILL OUT THE APPLICATION**

Find the Turf Replacement Application at SoCal Water\$mart.
